Another email chain between DCMS and Nominet. Again this contains some information that is helping us on developing policy and will harm our relationship with Nominet if made public.

Best,

Sakib

Hi Justin, apols for the late reply to your email.

Let me come back to you regarding dates? As you can imagine, with the Ukraine/Russia situation our seniors' minds have (quite rightly) been elsewhere. We sent advice to Minister Lopez (recommending a meeting and responding to Paul's intro letter) but we have not heard back yet. We will nudge.

On the Ukraine/Russia, is there any action that Nominet is taking? And is Nominet attending at ICANN sessions next week?

Best,

Sakib

Thanks both – that sounds sensible. I'm checking the diaries at our side but provisionally is there time on the afternoons of 14th, 15<sup>th</sup>, 21<sup>st</sup> or 22<sup>nd</sup> March. I'll look in Simon F later too.

Hi Justin,

Jas has rightly pointed out that we have our normal catch up next week too (11 March).

Unless there is something we need to discuss, shall we postpone this week's catch up and just resume normal service on Fri 11th March?

Also, we should diarise a quarterly meeting in March.
